

Amendment of three Banking Regulations

On 27 March 2013, the Bank of Albania Supervisory Bank amended the following Regulations:

- Regulation “On the capital adequacy ratio”. The amendment has introduced a new method of calculation of the risk-weighted assets for 2013 and 2014.
- Regulation “On credit risk management” has been amended with regard to the credit restructuring.
- Regulation “On liquidity risk management”. The amendment has changed the ratio of liquid assets to short term liabilities.

All the above Amendments are already published in the Official Gazette.
